Dear Phillies and Roy Halladay,

My name is Christopher Kunc. I just finished 7<sup>th</sup> grade at Hill Top Preparatory School, a school for students with learning differences. My Big Brother, Michael Evans is a student too at the Philadelphia College of Osteopathic Medicine. Even though my Big Brother is very busy with his wife and all the hard studying it takes to become a doctor, he still always has time for me. We both LOVE the Phillies and think they are AWESOME!!!! We were so excited when Roy Halladay, the best pitcher ever, joined the team!!!! My Big

Brother told me about this Phillies contest. In this picture Michael is at my Phillies 13<sup>th</sup> birthday party where I got a genuine Phillies jersey and had a great Phillies cake. Everyone knows I LOVE the Phillies.

It is really great to have a Big Brother. My dad left when I was one year old and my step-father died of cancer when I was 5. Now my family is all girls. It is cool to have a Big Brother to play catch with, go sledding, shot pool, play video games with and see the Phillies! My Big Brother even helped me pick out a Christmas present for my first girlfriend. One time my Big Brother had the idea to drive all the way to McNally's to get a real Schmitter sandwich in honor of Mike Schmidt - one of the most famous Phillies ever!!! That was cool! Those aren't things you can do with girls or mothers.

One of my best Phillies memories ever is watching the Phillies on my friend's big screen in October 2008 when they WON THE WORLD SERIES!!! We left very early for the parade and it was one of my best days EVER! Here I am at the parade waiting hours for the team to ride by. It was worth it! Not sure who that crazy Phillies fan next to me is!

I love to play baseball too. I play for a challenger baseball team called the Angels. We play other challenger teams from all over. Some of our teammates are in wheelchairs, but we are still like the Phillies because we have a great coach, all get along, all love baseball and all have a great time every time we PLAY BALL. We never fight. My

coach and my Big Brother are both helping me become a better hitter and catcher. I practice all the time. I am one of the best hitters on my team. Here I am getting ready in the dugout.

Nothing is better than seeing a Phillies game at Citizen Bank Park. It has always been my dream to sit in a box or in the diamond section. I am allowed to go to six games every year but only in the nosebleed section. Here I am at a game. Mr. Halladay, my Big Brother and I really want to meet you and see the game from your special box.

Your Biggest Phillies Fan,
